I have read, understand, and agree to the following:

1. This access is for use only in cases filed in the U.S. Bankruptcy Court for the Eastern District of Washington.
2. Rule 9011 of the Federal Rules of Bankruptcy Procedure (FRBP) requires that every pleading, motion, and other paper (except lists, schedules, statements or amendments thereto) filed with the Court be signed by at least one attorney of record or, if the party is not represented by an attorney, by the party. The unique password issued to a participant identifies that participant to the Court each time he or she logs onto the CM/ECF System. The use of a participant's password constitutes the signature for the purposes of FRBP 9011 on any document or pleading

filed electronically using that participant's password. Therefore, a participant must protect and secure the password issued by the Court. If there is any reason to suspect the password has been compromised, it is the duty of the participant to immediately change his or her password through the "Utilities" menu in the CM/ECF system.

3. I will adhere to all of the rules and regulations in the Local Bankruptcy Rules for the Eastern District of Washington; General Orders; Administrative Procedures for Electronic Filing, Signing, and Verification of Documents; and Technical Standards for Electronically-Filed Documents currently in effect, and any changes or additions that may be made to such items. The Court may periodically post announcements and updates to the Court's website that are pertinent to CM/ECF practice.
4. I assume all responsibility and liability for the payment of all applicable filing fees due at the time a document is electronically filed.
5. I will maintain and update my contact account information in the ECF system, including my name, address, telephone number, fax number, and e-mail addresses.
